

MPEG - 4 Video is here!

Top Hits U.S.A.[®] Hit Music Service For DJs And Radio!

We are pleased to announce that RPM is now providing our monthly video service on both Video DVD and MPEG-4 Video. Now you can import video files with the same ease and convenience as our amazing MP3 audio service. To show you this great service first hand, we will be happy to send you a free sample of the new MP4 video disc. This DVD has 26 of the hottest new music video releases with outstanding broadcast quality video and stereo sound. The service is also available on regular DVD video. If you would like a free sample of either the regular DVD video or the new MP4 videos, please let us know. If you have any questions, please call 800-521-2537 or email to info@tophitsusa.com.

As a current subscriber to Top Hits U.S.A. Video, RPM is now providing our monthly video service on both Video DVD and MPEG-4 Video. Now you can import video files with the same ease and convenience as our amazing MP3 audio service.
