

Top Hits U.S.A.[®]

Service for Radio Stations & Professional DJ's

New from the leaders in broadcast and DJ music!

A new way to get your RPM's on Top Hits U.S.A. MP3-DVD.

Now in addition to delivering the best quality weekly and monthly music service on audio CD's, RPM adds a new super convenient service. Now you can receive the RPM Top Hits U.S.A. service on a single DVD ROM containing all of the weekly and monthly editions of our great service. Each super-hi quality track is encoded in full 320K MP3 for the best broadcast quality. Each track is also encoded with all the data related to that track for instant loading into all popular broadcast and DJ software systems. No more manual loading and data manipulation! The MP3-DVD also contains PDF files for each music listing as well as fully updated database files covering the entire RPM Top Hits U.S.A. service for the past 17 years!

What's more amazing is that this service costs far less than the current audio CD service. On RPM's **MP3-DVD**, you get the following issues:

- **All weekly "T" disc issues**
- **All weekly "C" (Club) disc issues**
- **Special bonus tracks for Urban, Urban AC Triple A Americana and Instrumentals!**
- **RA Recurrent Adult Contemporary bimonthly**
- **RH Recurrent Top 40 bimonthly**
- **RC Recurrent Country bimonthly**
- **RL Latin monthly**
- **RJ Jazz bimonthly**
- **RB Urban/Rap bimonthly**
- **RD Dance Remixes bimonthly**
- **RK Rock/Alternative bimonthly**
- **RR Contemporary Christian monthly**

Each monthly DVD ROM contains approximately 230 Top Hits! This is equivalent to receiving all of the current audio CD series along with 20 extra bonus tracks that are not issued on the audio CD version of Top Hits U.S.A.

The present Top Hits U.S.A. CD service will continue unchanged. This new service is in addition to the present audio CD service. As a client, you can continue as you are, you can switch to the MP3-DVD service or you can have the MP3-DVD in addition to your present service! No changes will be made in your service unless you instruct us to do so.
